Science in the City is part of the European Researchers' Night, an EU-wide celebration. It has been funded by the European Union's Horizon 2020 research and innovation programme (under grant agreement No 955263), and a number of corporate sponsors. It is recognised as a Festival by Europe for Festivals and Festivals for Europe (EFFE).

This communication reflects the author's view and the European Commission is not responsible for any information it contains.
